Teach us wisdom, teach us love. -

What We're Learning!

This week we're finishing up the SUN portion of SUN, Moon, and Stars. We'll start learning about the MOON on Friday!

Upcoming Dates:

Friday, Sept. 27th –
Scholastic Order
Placed

Thursday, Oct. 3rd –
Field Trip to Pacific
Science Center

Thursday, Oct. 11th –
Moveathon!

Walk-to-Read and Walk-to-Math started today! We started Place Value in Math and students received spelling words in Reading!

We're starting our Religion curriculum this week and will be diving into bible work and how the Holy Spirit guides us.

Reminders:

Homework went home today! If it's taking your child longer than 60 minutes to do a little reading and a little math, please let me know! I'll help adjust the workload.

Table Talk:

If you have a couple extra minutes, try to have your child locate East, West, and South once North has been identified. Practice identifying items in terms of N, S, E, and W! (Ex: The table is ___ of the couch.)
