January 13th, 2020

3rd Grade News

Teach us wisdom, teach us love. -

What We're Learning!

We are continuing to (re)learn our classroom rules and expectations. Getting back in the routine is our goal!

Upcoming Dates:

Monday, January 20th
MLK Day – No School

Sunday, January 26th
OPEN HOUSE
9:30am-12:00pm

January 27-31st
Catholic Schools Week!
(Look for more info later this month about CSW)

Wednesday, January 29th
GrandFriends Day!

This is a week of all new units!

First, we will be begin division right after we take our math STAR.

Narrative writing will start on Wednesday with "What is a Narrative" review and brainstorming small moments.

And we have officially switched from Science back to Social Studies! We had a great time learning Life Science and will have an equally great time learning about US Native American tribes.

Reminders:

Don't forget to invite a family member or friend to GrandFriends day on January 29th!

Multiplication facts can be practiced with flashcards or on XtraMath!

Table Talk:

What are some ways I (student) can add to the classroom learning environment?
