WE'RE LEARNING!

This month, we have been doing a KINDNESS challenge. We “open” a present each morning with an Act of Kindness to try each day.

So far we have accepted the challenges to:

1. Open the door (cupboard, cabinet, gate, garage door, etc) for someone
2. Tidy up your “classroom”, workspace, or area of the house
3. Write a thank you letter to someone who has helped you
4. Invite a friend to play (over the phone, in a video game, through Zoom)
5. Give a compliment to someone

Internet Safety Reminders:

- How do I check my own email? (see the attached “HOW TO turn of GC notifications”)
- Do I know how to edit a digital assignment? (move shapes, type, use Voice type (talk-to-text))
- Can I find my passwords for web pages? (See Google Classroom → Materials → Logins)
- Do I know my own email and password (if not, is it written somewhere close)?
- If I have my own Zoom room... am I making safe choices?
- Do I know who I am emailing? Am I posting my personal information in safe places?

REMINDERS

You can always find a digital copy of our materials in Google Classroom!

The materials passed out on today are for the **entire month of December**. If packets are misplaced, you can always find them in **Google Classroom** → **Homeroom/Math/Reading** → **Classwork** → **Materials** → **December Packets**. Every time new packets are made, the materials section is updated!
