## WE'RE LEARNING!

**MORNING MEETING STILL  
STARTS AT 8:35AM.**

Our Science Unit - Forces and Interactions - has begun! So far, so fun! Students had a lot of determination this week making balance boards and keeping them level with mass added on either side.

May begins a month of continuing curriculum, but also a lot of added review and fun projects! You may see more artwork added to your house or projects to discuss!

## REMINDERS

**If your child will be missing school, please let me, Jessica, and Martine know!**

**One email for all of us works great!**

## TABLE TALK

Word of the week: **COURAGE**.  
What does that look like for you?
