## WE'RE LEARNING!

### **Math:**

All Walk-to-Math classes are starting the year off with Place Value! It's fun to see how each class is teaching the same concept, but at different levels.

### **Social Studies/Science:**

We are starting the year off with Social Studies! We have been reading and creating maps, learning about geography, and identifying resources in different regions, climates, etc.

### **Reading:**

We have a new Reading curriculum this year! I am looking forward to diving into our first theme of "Characters"!

### **Writing:**

While we have some formal writing concepts to learn this year, we are starting off with some fun writing activities throughout this month.

### **Religion:**

Our first Religion chapter is "The Holy Spirit Guides Us". We will learn a little bit about the Holy Spirit and do a Bible scavenger hunt!

## REMINDERS

**Homework will come from your child's Walk-to-Read and Walk-to-Math teacher.**

**The goal is to build stamina and ease into homework. Have your child just try their best!**

## TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.

What is one way you can <sup>oo</sup>bring joy<sup>oo</sup> to others?
