## WE'RE LEARNING!

### Homeroom:

Last week we set goals on how to be a role model for our classmates. Ask your child what their goal was!

### Math:

Equivalent fractions has proved to be a tricky concept for some, but everyone is working so hard!

### Writing:

We finally are moving on from Narrative writing and starting POETRY!

### Reading:

Ask your child who they read about this week and how that character made a difference in their community.

### Social Studies:

One of our big Social Studies units in 3rd grade is our state reports! We will start the week learning "What is Culture" and how our culture and traditions may come from many different countries.

### Religion:

Our first CRS lesson last week introduced us to the wonderful outreach that Catholic Relief Services provides. We wrote prayers asking God to help us help our global community.

## TABLE TALK

This section is for a conversation piece you can talk about at the dinner table. What are ways you can pray, fast, and give during Lent?
