“Be humble, be simple, and bring joy to others!”

UPCOMING DATES

Wednesday, March 9th
3rd Grade helps with Mass

Friday, March 11th
No School, Teacher Inservice Day

Wednesday, March 16th
3rd Grade helps with Mass

WE'RE LEARNING!

Homeroom:

Right before break, we put a lot of emphasis on bringing joy and kindness to others. This week we will continue to focus on kindness and empathy.

Math:

This class has picked up fractions quick! We get to use our multiplication skills with equivalent fractions!

Writing:

The narrative continues!

Reading:

Ask your child who they read about this week and how that character made a difference in their community.

Science:

This is our final week learning Life Science! We have learned a lot about animals/plants and adaptations they make to survive.

Religion:

We learned that we focus on how we can PRAY, FAST, and GIVE during Lent. We will start our reflection journals this week where we write on various aspects of Lent.

REMINDERS

We will be helping with Mass on 3/9 and 3/16. You are welcome to join!

TABLE TALK

This section is for a conversation piece you can talk about at the dinner table. What are ways you can pray, fast, and give during Lent?
