WE'RE LEARNING!

Homeroom:

I am so proud of this class for working toward our goal of talking kindly and respectfully toward our peers. It is something we constantly practice and coach in the moment, but it is great to see the progress happening!

Math:

Rather than start a new chapter the week before spring break, we are going to review all the chapters we have done so far. We will be creating game boards in class, coming up with questions that help us review 3rd Grade Math so far!

Writing:

We are wrapping up our poetry books this week and presenting our favorite poems!

Reading:

We are entering into our 9th Module in Reading. The theme of this Module is “From Farm to Table”. This will be our last set of 3 weeks in our curriculum before we switch over to novels!

Social Studies:

We are putting our final touches on our State Reports before we share with the class!

Religion:

It is Holy Week! We will spend this week learning about Jesus' last days.
