School Resumes

Sunday, May 1st
SMS Vaccine Clinic

Friday, May 27th & Monday, May 30th
NO SCHOOL

WE'RE LEARNING!

Homeroom:

We are in the home stretch to 4th grade! While we are learning new things, our biggest focus is on focus, effort, and independence. Students are coached through new ways to think and be independent each day. Any help with this at home would be greatly appreciated!

Math:

We are starting Area and Perimeter! These can often get confused, so we will spend extra time on each individually!

Writing:

We will get the opportunity to present our poetry, since we didn't get the chance to before spring break. Then, some extra Narrative practice!

Reading:

We are in our 9th Module in Reading with the theme: "From Farm to Table". We will be switching to novels in 2 weeks!

Science:

We are very excited to start our new Science unit: Forces and Interaction!

Religion:

Now that we are through Lent, we will be back to our regular religion curriculum. This week we will be learning the meaning behind The Apostle's Creed.

REMINDERS

We are in the home stretch to 4th Grade!
Any opportunities to help your child be independent are GOLDEN!

TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.
What are some ways I can talk kindly and respectfully to my **FAMILY**?
