Scholastic Book Orders Turned in

REMINDERS

Never hesitate to reach out with a question, comment, or concern. I love to hear from you!!

WE'RE LEARNING!

Math

While Walk-to-Math won't start until next week, we are refreshing our Place Value skills this week through games and activities.

Reading

While we won't start Walk-to-Read until next week, we are learning kindness, empathy, respect, and about our gifts through stories and activities.

Writing

Everything we do is writing practice - getting back in the habit of using capitals, punctuation, and our best handwriting!

Social Studies

Third Grade Social Studies is all about Communities throughout the United States (past, present, culture, landforms, etc). We will start this week with map skills!

Religion

We have our first Mass this week! We will also have the opportunity to learn about the different parts of Mass, as well as do a respectful scavenger hunt in the church. We will be looking for special items like the crucifix, tabernacle, stained glass windows, ambo, etc.

Community

We are practicing, practicing, practicing our classroom/school rules, procedures, and expectations! We are having fun with it and all trying our best to be our best!

TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.

How can I be a Light like Christ at home?
