

# 3rd Grade News

September 19-23

Mrs. Balinbin

## "Christ Be Our LIGHT!"

### UPCOMING DATES

Monday, September 19th  
Picture Day!

\*Students wear uniform\*

Friday, September 30th  
Scholastic Book Orders Turned in

### WE'RE LEARNING!

#### Math

Walk-to-Math starts this week! Our first chapter starts off with Place Value - identifying, comparing, and ordering numbers.

#### Reading

Walk-to-Read starts this week! We will be identifying literary elements and practicing spelling!

#### Writing

Everything we do is writing practice - getting back in the habit of using capitals, punctuation, and our best handwriting! This week we will do some fun Fall writing!

#### Social Studies

Third Grade Social Studies is all about Communities throughout the United States (past, present, culture, landforms, etc). We are continuing our map skills by locating ourselves in the world.

#### Religion

We will continue to learn about the different parts of Mass, as well as do a Bible scavenger hunt. This will include learning how to search for books of the Bible.

#### Community

We are practicing, practicing, practicing our classroom/school rules, procedures, and expectations! We are having fun with it and all trying our best to be our best!

### REMINDERS

If your child brings a water bottle to school, please make sure it is spill-proof when closed. We've had a lot of spills so far this year!

### TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.  
How can I include others at recess, the lunchroom, in the classroom, or in after school activities?
