Friday, November 11th
No School - Veterans Day

Monday, Nov 21 & Tuesday, Nov 22
Parent-Teacher Conferences

Wednesday Nov 23 - Friday Nov 25
No School! Thanksgiving Break!

WE'RE LEARNING!

Math

Multiplication and Division are the longest math units we do all year. We will be learning all things multiplication and division for the next four months!

Reading

Our focus this week is identifying the Author's Purpose of a story!

Writing

We move to Descriptive Writing this week! We will be practicing adding a lot of detail to our writing to appeal to our five senses.

Science

This week we learn about different climate zones and then build our own!

Religion

This week we begin learning about how Jesus teaches us to love and about the 10 Commandments.

Community

We continue to think about how we can Serve, Lead, Love, and Learn each day.

REMINDERS

Conference confirmation times went home today. Please let me know if we need to adjust your time!

TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.

We love to share "Would You Rather" answers during our morning meeting. Now you can join in the fun! Would you rather: eat ONLY TURKEY for a week or ONLY PUMPKIN PIE for a week?
