Parent-Teacher Conferences

Wednesday Nov 23 - Friday Nov 25
No School! Thanksgiving Break!

WE'RE LEARNING!

Math

Multiplication and Division are the longest math units we do all year. We will be learning all things multiplication and division for the next four months!

Reading

Our central focus this week is using transition words to retell a story in chronological order.

Writing

We move to Descriptive Writing this week! We will be practicing adding a lot of detail to our writing to appeal to our five senses.

Science

This week we determine the difference between weather and climate!

Religion

This week we begin learning about how Jesus forgives and heals. We will learn about the sacrament of reconciliation!

Community

We continue to think about how we can Serve, Lead, Love, and Learn each day.

REMINDERS

Please fill out your conference time preference as soon as possible. [Click here to fill out.](#)

TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.

Ask your child if they would like to share with you the ASL alphabet we've been practicing.
