### WE'RE LEARNING!

#### Math

We are moving on to FRACTIONS this week!

#### Reading

We are reading Non-Fiction stories this week!

#### Writing

We are writing a fun narrative this week before we move on to Poetry!

#### Science

We are SO EXCITED to bring back Life Science! The next six weeks will be filled with observing Plants & Butterflies, as well as learning traits and

#### Religion

Our focus from now until Easter will be LENT! What is Lent? What do we do during Lent? How is Mass celebrated differently during Mass? We will be praying the Stations of the Cross. We will also be traveling to Honduras, Philippines, and Kenya to see how Catholic Relief Services (CRS) uses our Rice Bowl money to help countries in need!

#### Community

We are focusing on becoming independent learners. In order to do so, we try to read the board, check the schedule, see what our neighbors are doing, and ask ourselves "have I done this before?" before asking the teacher a question we can answer ourselves!

### REMINDERS

**Lauren will be reading and Annie & Jacqueline will be helping with the gifts at our March 1st Mass. Ava is reading the prayer intention. Join us at 9am!**

### TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.

**How will I try to Pray, Fast, and Give this Lent?**
