Friday, March 24th
\$1 Non-Uniform Day to benefit Tent City 4

Friday, March 31st
\$1 Non-Uniform Day to benefit Tent City 4

WE'RE LEARNING!

Math

This is our first week of Measurement!

Reading

This week we will be finishing up The Mouse and the Motorcycle.

Writing

Haiku's in abundance this week! I can't wait to see what this class comes up with.

Science

While our lessons contain elements of how animals behave to help them survive, the star of the show are our growing plant and wiggling caterpillars! Our new focus will be on how the environment can influence traits!

Religion

We spend our Religion time writing in our Lenten Reflection journal, praying the Stations of the Cross, and traveling to different countries learning how CRS supports their livelihood.

Community

Respect & Kindness

REMINDERS

For the field trip, each student needs to bring:

1. A booster seat
2. A lunch from home
3. A backpack
4. Wear a uniform and tennis shoes!

TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.

Am I taking responsibility for my own actions?
How am I adding respect and kindness to our classroom?
