WE'RE LEARNING!

Math

We continue with geometry this week, then we will have finished all our curriculum! Next week, we move on to review projects!

Reading

We are well on our way reading through The Lemonade War!

Writing

We focus on writing compliments to our classmates this week.

Social Studies

For our last unit of the year, we will make it a big one! We are learning about economics through a Market Day project. Each student will be creating a product to sell at their own storefront.

Religion

May is the month we celebrate Mary! We will be focusing on Mary in all her glory for the next few weeks.

Community

Our SEL focus for the next several weeks will be "Character is Key". Each week we will explore a new character trait books and real life examples. This week we will focus on **tolerance!**

REMINDERS

Friday, June 2nd is FLY-UP DAY and FIELD DAY!

1. Students will spend one hour in the morning "flying up" to 4th grade to learn about what class will look like for them next year!
2. The WHOLE SCHOOL gets a pizza lunch!
3. From 12:15-1:45pm is FIELD DAY! Classes will participate in games and activities outside. **Our class color is RED! Please help your child find a RED shirt by Friday, June 2nd!**

TABLE TALK

This section is for a conversation piece you can talk about at the dinner table.

SEL Focus: **Tolerance** → What does it mean to be tolerant?
What did I learn? How can I apply it?
